

## A Creation Psalm

We thank you God for all creation.

We look to the sky and see God's creation.

God made \_\_\_\_\_ and \_\_\_\_\_.

We thank you God for all creation.

We look in the lakes and seas and see God's creation.

God made \_\_\_\_\_ and \_\_\_\_\_.

We thank you God for all creation.

We look in the forest and see God's creation.

God made \_\_\_\_\_ and \_\_\_\_\_.

We thank you God for all creation.

We look in our neighborhood and see God's creation.

God made \_\_\_\_\_ and \_\_\_\_\_.

We thank you God for all creation.
