

Make a Bible Booklet. Write your name on the front page. Write one Bible sentence on each of the other pages. Decorate the pages. Cut out your booklet by cutting on the solid lines. Fold the pages on the dashed lines. Use the booklet to listen to God and to speak to God.

Read one page. Close the book. Think about what the sentence means. Talk to Jesus about it. Listen to what God is saying to you. Ask the Holy Spirit to help you live God's Word.
