

## Playing Charades

1. Explain that the children will be playing charades and acting out what they see at Mass.
2. Call on volunteers to act out parts of the Mass, one at a time. Have them choose what to act out from Ch. 13 and 14 and “We Celebrate the Mass,” beginning on page 265.
3. Before the volunteers begin their charade, ask them to whisper to you the part of the Mass they will be acting out.
4. As the children act out their part, encourage the rest of the class to guess what they are acting out.
3. When a charade has been guessed correctly, ask the children to identify whether it is part of the Liturgy of the Word or the Liturgy of the Eucharist.
