

Faith in Action

1. As you review the children’s responses to the activities in this chapter, encourage them to name specific ways in which they can live as Jesus taught.
2. For example, have them reflect on, “Say my prayers.”
3. Invite them to suggest when they can pray. Possible responses may include: when they wake up, before meals, at bedtime, when someone they know is sick, and so forth.
4. Continue on to “Learn about Jesus” and have them share where they can learn about Jesus (during Mass, in classes, in the Bible).
5. Continue this process with other actions on the list.
6. Praise the children for their efforts to live as Jesus taught and to grow as Christians.
