

Because I Am Baptized...

When we are baptized as infants it is easy for us to forget about the impact Baptism has on our lives. Think about your Baptism. How is your life different today because you are baptized?

Write about it here.

Did you know that...

... only after a person was baptized was he or she allowed to learn and pray the Lord's Prayer?

...sometimes the anointing with Chrism was very elaborate and the oil covered most of the body?

...the ancient order of the Sacraments of Initiation was Baptism, Confirmation, and then Eucharist?
